

## COMPANY POLICY

**AMES Medical Prosthetic Solutions S.A.U.** was created with the aim of applying the technological knowledge of the AMES group to offer the market innovative health products that improve people's quality of life and meet the needs of health professionals and our customers.

The Management of **AMES Medical** establishes and monitors a **Quality System** based on the following principles:

- 1. Strict compliance** with **legal and regulatory requirements**.
- 2. Minimization of risks** in the design of products and processes.
- 3. Strict compliance** with the **internal procedures** established to ensure the quality and safety of our products.
- 4. Responsibility.** Quality is everyone's business. Everyone is responsible for doing their job well.
- 5. Technological knowledge** and **teamwork** as tools for improving products and processes.
- 6. Training** as a basis for technological and human improvement.
- 7. Efficient processes** for continuous and sustained growth in the biomedical sector.
- 8. Trust** as a factor of progress. We will achieve it through professionalism, honesty and quality ethics.
- 9. Information** and **communication** as fundamental elements for achieving total quality.
- 10. Safety of people** and **respect for the environment** as unwavering objectives of AMES.

**Dr. Cèsar Molins**  
General Director of AMES
